

2025-2026 3RD-4TH GRADE PROGRAM

WHAT WE LEARN

Your child will gain a lifelong enthusiasm for reading as they learn to read using the Abeka phonics-first approach in the 3rd-4th grade classroom. You'll see your child master phonics and watch their reading comprehension skills grow as they read delightful stories with character-building themes. As their reading and spelling skills improve, creative writing becomes a natural outflow as they organize thoughts into sentences and apply their grammar knowledge in order to communicate. In science, health, and history and geography, they'll learn about God's world and begin to appreciate it more as they venture into a biographical study of people who made an impact on America. Most importantly, studying lives of real people in the Bible will help them learn how to respond to situations in their own life. Finally, art rounds out the academic program.

MEMBERSHIP INCLUDES

- ✓ Full-time instruction with Abeka
- ✓ Small class sizes
- ✓ P.E., Art, and Bible
- ✓ Campus performances
- ✓ Field trips

DAYS/HOURS

Monday-Friday 8:30 A.M. - 3:00 P.M.

DAILY SUBJECTS

- ✓ Arithmetic
- ✓ Science
- ✓ Language
- ✓ Spelling
- ✓ History
- ✓ Bible
